What we do:

For almost 100 years, Scouting programs have instilled in youth the values found in the Scout Oath and Scout Law. Today, these values are just as relevant in helping youth grow to their full potential as they were in 1910. Scouting helps youth develop academic skills, self-confidence, ethics, leadership skills, and citizenship skills that influence their adult lives. Scouting at Troop 1 Kingston embraces the concept of boys leading boys, while being supervised by adult leaders. Boys leading boys allows the development of leadership skills that can best be learned through experience. Using this concept, to date Troop 1 Kingston has produced an astounding 80 Eagle Scouts, and has numerous Eagle Scouts as adult leaders.
